LOCALLY OWNED - FAMILY OPERATED

MEET THE OWNERS

Hi!

We're Justin and Kate — the husband-and-wife team behind Philly Pretzel Factory in Edwardsville.

As a locally owned, family-operated business, we love being part of life's biggest celebrations. From engagement parties to late-night wedding snacks, we know how important the details are — because we've planned a few of our own.

Kate brings event planning experience and a passion for thoughtful details, while Justin brings a commitment to service (as a proud Air Force veteran) and fresh, high-quality products every day.

We don't just cater events — we collaborate with couples to create something that fits their vision, guest list, and budget.

We'd be honored to add a little twist to your big day!

-Justin and Kate
